

MIKE THE BEAR

Special points of interest:

- Mike tries to disguise himself among two small bears
- The White Spray paint won't work Mike.
- Poor Mike he is such a bear

MIKE WAKES UP **ROAR!!!**

Look how happy he is in the morning. He stretches his legs and pounds his chest. "ROAR" , he says as he greets the day. First he begins by combing out his massive amounts of body hair. Then on to breakfast, perhaps a deer or maybe two.

Mike must be off to work where he roars and grumbles through his day. Mike is a bear and makes sure everyone knows it. If you see mike say "Hi, Mike" and make sure to throw him some raw meat, or he might bite you. It has been known

Michael

for bears to have rabies. So be on the look out for Mike. Remember he is a bear so be polite and always caring a tasty treat

FIGHT OVER LUNCH ENDS IN DEATH

Mike spies a co-worker horning in on his lunch. A fight is sure to ensue. **Don't mess with Mikes lunch.**
